Teaching methodology	The method that will be used during the lectures is the communicative one, as it is thought to be the most successful method of learning foreign languages. This approach enables students to develop their language skills in several forms, e.g. with questions and answers, discussions among themselves, or by making various descriptions, comparisons and requests.				
Assessment methods	There will be two tests with 40 points each, or the student has the right to sit the final exam which has 80 points (written/oral exam), the test contains open ended questions and multiple choice questions The student passes the exam if he / she reaches at least 50 points from all evaluation criteria. 20 points – activity and attendance 80 points – from two written tests or the final exam
