Contact details:	etleva.blakaj@ushaf.net
Course description:	
	The course "German Language III" addresses topics that coincide not only with professional life, but also with everyday life. The selected topics are mainly from the book " <i>Schritte International Neu</i> ", through which the four language skills: listening, speaking, reading and writing, will systematically be practiced and developed, but also grammar and the vocabulary, which help in mastering these skills as easy as possible.
Objectives of the course:	
	The course "German Language III" aims at expanding the knowledge in German, which is achieved through various topics that help in the systematic practicing and further development of four language skills, namely listening, speaking, reading and writing.

Learning outcomes:	
	<p>After completing this course, the student will be able to:</p> <ul style="list-style-type: none"> <li>• listen and understand conversations and texts in German, especially in the professional field</li> <li>• communicate in German in different situations of everyday as well as professional life</li> <li>• read correctly by adhering to the German language instructional rules</li> <li>• write properly based on the learned grammar and vocabulary</li> </ul>

**Academic policies and rules of conduct:**

The students are obliged to attend the lectures regularly and possess the necessary literature. Due to the nature of the course, the lack of books prevents the progress of the lectures and it also prevents their engagement in all four language skills. Students should be in time and be actively engaged during the lectures.
