

Basic data of the subject	
Academic Unit:	Faculty of Applied Arts
Subject title:	English Language II
Study level:	Bachelor
Subject status:	Mandatory
Year of studies:	1
Number of hours per week:	2
Value of credits - ECTS:	3
Lecturer of the subject:	Anylë Shala
Contact details:	anyla.shala@ushaf.net
Course description:	
	<p>This course focuses mainly on developing reading and writing skills in English. The main book which will be used throughout the semester is the third one in the series "Q: Skills for Success", where each unit has clear objectives which motivate students to achieve their language learning goals. In addition, this course will also touch upon topics which are related to the field of study so that students are familiarized with the language and terminology that they will need later on in their profession. Additional literature, including the textbooks "Shades and Shapes: English for the Visual Arts, Design and Architecture" and "English for Graphic Designers", will also be utilized for this purpose.</p>
Course objectives:	
	<p>This course aims to enhance students' reading and writing skills in English, and at the same time enable them to develop their critical thinking and succeed academically.</p>
Expected learning outcomes:	
	<p>Upon completing this module, the student should be able to:</p> <ul style="list-style-type: none"> • identify main ideas and supporting details or examples in familiar reading passages • predict the meaning of unfamiliar vocabulary by analyzing words' prefixes and suffixes and using context clues • write short summaries of reading passages on familiar topics • use techniques of comparison/contrast and cause/effect to write a paragraph on familiar topics

Contribution to student workload (which should correspond to the students learning outcomes)
